

CADET WINNERS TO BE ANNOUNCED THIS AFTERNOON

Final Day of Drill Expected
to Bring Thousands to
Nationals' Park.

More thousands will assemble at the American League ball park this afternoon to see Companies E and G of the Business High school, A, B and I of Central High and F of Eastern drill in the annual company contest of the High School regiment. At the close of the drill yesterday the highest score company of the two days will be announced. Which of the McKinley Manual and Western High companies that drilled yesterday scored the highest total is a matter of guesswork, with opinions varying somewhat according to the preference of the hundreds of representatives of the several schools.

One thing is certain. Company D of McKinley Manual which won the prize last year, won through its maneuvers yesterday in a fashion to delight adherents of that school and to give them high hopes of victory again this year. But "dopesters" of the result have been almost invariably wrong in predicting the winner during the twenty-five years these company contests have been held and popular acclaim and the marks of the judges have not agreed.

Military critics seem to think that Company H of Western High drilled a little better than M of the same school yesterday while Company I of McKinley ran close. K and L of the McKinley school are still considered in the running by their friends.

Order of Appearance.

The companies in the order of appearance this afternoon and their officers are the following:

Company G, Business; captain, L. F. Cooper; first lieutenant, J. H. Molin; second lieutenant, J. H. Hines.

Company B, Central; captain, R. Sexton; first lieutenant, H. Sydenham; second lieutenant, K. Metzger.

Company I, Central; captain, M. A. Martin; first lieutenant, A. Bradshaw; second lieutenant, P. Stein.

Company E, Business; captain, R. E. Gleason; first lieutenant, W. S. Lyons; second lieutenant, C. J. Bigham.

Company F, Eastern; captain, J. D. Cremer; first lieutenant, R. P. Whitman; second lieutenant, E. C. Rice, Jr.

Company A, Central; captain, H. D. Gordon; first lieutenant, P. H. Hollingsworth; second lieutenant, P. O. Potts.

When Captains Bjornstad, Merrill and Allison of the regular army have counted their count on the last company, compared the markings of today with the scores of yesterday and determined on the winner the result will be announced and the winning company commander will receive the trophy flag at the hands of Gen. Leonard Wood, chief of staff.

Will Cheer Winner.

Immediately from the throats of thousands of high school boys and girls will go up one of the loudest cheers the ball park has known in a long time, eclipsing even the volume of noise in a crisis in a ball game at the same place.

The park this afternoon, like yesterday, will be a most animated place. Hundreds and hundreds of girls dressed in their newest summer finery, sitting in the grandstands will hold their breath until the victory is announced to one or other company.

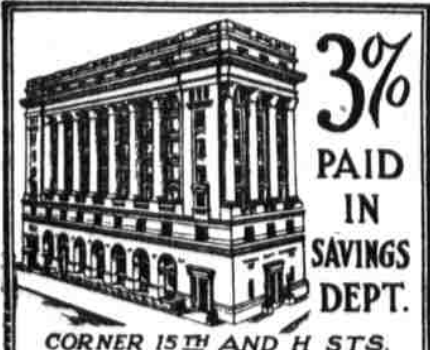

The entire regiment will pass in review before the spectators at the end of the afternoon. When the regiment has disbanded there will be a jollification in the building of the winning school.

Large Crowd Goes To Glen Echo Park

Yesterday's warm weather made Glen Echo Park popular and last night's crowd was but little smaller than the record-breaking attendance at the opening Saturday evening.

Ideal dancing weather induced many to enjoy the pavilion and scores of couples all the evening enjoyed the numbers played by the Charles O. Miller Orchestra. Hundreds of others were scattered all over the park, and the miniature electric railway, Ferris wheel, and other attractions did a smashing business clear on up to the closing hour.

Of all the amusement devices the most popular so far is the new gravity coaster, and all last evening there was a long line waiting for a chance at "The Ride Amid the Trees." Another feature that has caused favorable comment this year is the good car service. Running on a two and three-minute schedule during the rush hours, the cars are numerous enough to enable the crowds to go and come without that jam that so frequently makes trips to amusement resorts unpleasant. In addition to the free admission, last night's crowd heard a free concert and saw two films of motion pictures in the open-air stadium.

PLAN ABANDONED FOR FIELD MASS ON THE ELLIPSE

Spanish War Veterans Find
Expense Too Great, Is
Cause Assigned.

Plans for the annual Spanish War Veterans' field mass, which was to have been held June 3 in connection with the Columbus memorial unveiling, have been abandoned.

Capt. Richard J. Donnelly, chairman of the committee on arrangements, said this morning that a decision to drop the plans was reached at a meeting of the committee Sunday. All of the members of the committee were not present, but the decision is accepted by the absent veterans.

The first field mass was held on the White Lot last year, and attracted 50,000 people.

The date this year was fixed to follow the unveiling of the Columbus memorial, which will be held June 3. Thousands of visitors will be in Washington, and it was expected that more than 100,000 people would crowd the White Lot to witness the field mass.

The question of expense was the obstacle that spoiled the plans. The Spanish War Veterans' Association does not comprise a very large number of local members, and the individual expense of the proposed memorial threatened to prove a matter of considerable embarrassment.

When plans were first made this year it did not seem that preparations would be much more expensive than in 1911, but this illusion was soon dispelled.

President Taft accepted an invitation some time ago to be present. It was proposed that Cardinal Gibbons should celebrate the mass if his health permitted and that if he were unable to attend the Rev. Eugene DeL. McDonnell of St. Aloysius Church would be the celebrant. The Rev. William Russell of St. Patrick's was expected to preach the sermon.

It had also been planned to have the Rev. Mr. Chadwick, chaplain of the Maine, present at the mass.

Word had been received from the various Spanish War veteran camps in eastern cities that they would send from twenty-five to a hundred men each to attend the mass. More than 3,000 soldiers were to occupy a space on the White Lot.

Musical was to be furnished by an orchestra of 200 from St. Patrick's and the Marine Band was to take part in the exercises. These ambitious plans promised to produce a spectacular field memorial and one worthy the attention of the thousands of Knights of Columbus expected in Washington, as well as of residents of the city.

No official word has been received at Knights of Columbus headquarters of the discontinuance of the plans for the field mass, but reliable information of the change in plans was received there last week.

ECZEMA CURED IN 10 TO 30 DAYS.
The Paris Medicine Co., 263 Pine Street, St. Louis, Mo., manufacturers of Laxative Bromo Quinine, have a new and wonderful discovery, GROVE'S SA-NARE CUTIS, which they guarantee to cure any case of ECZEMA, no matter how long standing. In 10 to 30 days, and will refund money if it fails. GROVE'S SA-NARE CUTIS is perfectly clean and does not stain. If your druggist hasn't it, send us 50c in stamps and it will be sent by mail.

POLICE DRAGGING RIVER TO LOCATE BODIES OF WOMEN

Swift Current Probably Carried
Away Victims of
Sunday's Accident.

Efforts to recover the bodies of Mrs. Beattie Haller and Mrs. Sarah Nielson, the two young women who were drowned Sunday night when the steamer Angler ran down the pleasure launch Lotus, were renewed by police of the Harbor precinct this morning.

The crews under direction of Lieutenant Dean and Sergeant Passano started down the river at 8 o'clock to continue dragging the river near the scene of the accident. The police, however, have but little hope of recovering the bodies until they float. The current is so strong at the place where the boats came together that it is believed the bodies of the two women have been carried some distance downstream. The drowning of Mrs. Haller leaves a

little baby girl motherless. The child is with her grandmother, Mrs. Haller. No arrangements for holding an inquest to fix the responsibility for the death of the two women will be made until after one or both of the bodies have been recovered. The police have obtained a list of all the witnesses, and as soon as either of the bodies is found a coroner's jury will be summoned. The five men who were on board the launch and who were saved when the little craft was hit by the steamer, will all appear before the jury.

According to the crew of the Angler, the Lotus did not show any lights, and the steamer was almost on the launch before the lookout saw the launch.

Matter of Hours Only For Wilbur Wright

DAYTON, O., May 28.—Wilbur Wright was still living at 7:30 a. m. Central time, but the attending physicians offered no hope of prolonging life beyond a few hours.

The inventor is ill of typhoid fever. Members of the family are at his bedside.

Bromwell Will Filed.

The will of Dr. Josiah R. Bromwell together with three codicils, were filed in Probate Court today. Dr. Middleton F. Cutbert is left \$5,000, while the remaining estate is given to Arline Constable, Susan M. Constable, Mary G. Constable, and Katharine Young de Steiguer. The National Savings and Trust Company is named as executor of the estate.

Old Time Remedy Darkens the Hairs. Stops Dandruff, Itching Scalp and Falling Hair

For generations Sage and Sulphur have been used for hair and scalp troubles. Almost everyone knows the value of such a combination for keeping the hair a good even color, for curing dandruff, itching scalp and falling hair, and for promoting the growth of the hair. Years ago the only way to get a Hair Tonic of this kind was to make it in the home, which was troublesome and not always satisfactory. Now, however, almost any up-to-date druggist can supply his patrons with a ready-to-use product, skillfully prepared in perfectly equipped laboratories.

An ideal preparation of this sort is Wyeth's Sage and Sulphur Hair Tonic, in which Sage and Sulphur are

combined with other valuable remedies for scalp troubles and thin, weak hair that is losing its color or coming out. After using this remedy for a few days, you will notice the color gradually coming back, your scalp will feel better, the dandruff will soon be gone, and in less than a month's time there will be a wonderful difference in your hair.

Don't neglect your hair if it is full of dandruff, losing its color or coming out. Get a fifty-cent bottle of Wyeth's Sage and Sulphur from your druggist, and see what a few days' treatment will do for you. All druggists sell it under guarantee that the money will be refunded if the remedy is not exactly as represented. Agent James O'Donnell.

"High View"

Thousands upon thousands of dollars are being saved to Washington families at "High View."

These families are buying the finest 6-room homes ever offered at the price—and doing this with the money they formerly wasted on rent each month.

Price, \$3,300

Terms: \$200 Cash
\$26.92 Per Month

(which pays directly on the home, including all interest.)

TO INSPECT—Take any G. street car marked "Brookland" or "North Capitol and W streets," get off at Rhode Island avenue and walk one square east.

The owners have under course of construction more of these homes. It will be several months before they are completed. If you haven't the necessary \$200 first payment to put into one of the homes now ready for immediate occupancy, you can have us reserve one of the next lot for you by arranging to make us small monthly payments. In this way, by the time the homes are ready for occupancy, you will have saved enough to make the first payment. After that all you need pay is \$26.92 per month, which applies directly on the home, including all interest.

"Look for Our Green and White Sign"

Put Your Heads Together Over This Proposition Tonight

We do not know what rent you pay—but for argument's sake let's say it's \$25.00 per month.

Suppose you have only been paying rent for a year. Well, there are 12 months in a year—and that would make your year's rent cost you \$300.

Within the next ten years your rent will in all probability go up instead of down. Even though it should remain but \$25.00, your rent bill in ten years will amount to \$3,000.

Now \$3,000 is \$250 more than the total price of one of those modern homes we are selling on Columbia Heights.

If your present rent money is \$25.00 per month, you can buy one of these homes with less than that amount each month.

This is enough for you to think over tonight. Read our advertisement in tomorrow's Times and Star giving you many more reasons why you should be buying one of these homes with your present rent money. The next day (Thursday) is a holiday—Decoration Day—when making your arrangements to spend the day, or a part of it, provide for an inspection of these Columbia Heights homes. Do this and you will recall Thursday, May 30th, 1912, as a "red letter" day in your life.
